# REPORT OF THE UNDER SECRETARY OF STATE FOR EXTERNAL AFFAIRS.

To the Right Honourable

Sir ROBERT BORDEN, G.C.M.G.,

Secretary of State for External Affairs,  
Ottawa.

SIR,—I submit herewith the usual review of the more important questions which have engaged the attention of the department during the annual period 1918-19.

## EUROPEAN WAR.

This will cover the last phase of the tremendous struggle which has taxed the energy and resources of the whole world, and its termination in the complete defeat of the Central Powers. The enemy's supreme effort to break through to the Channel Ports and to strike at Paris, which was initiated in March and culminated in July, was in that month effectively checked, and the Allies counter-offensive begun and continuously and successfully maintained until, thoroughly broken and defeated, the German army sought terms for an armistice. This was concluded on the 11th November, 1918. Austria-Hungary had previously laid down her arms under an armistice of the 3rd November, Bulgaria having surrendered on the 30th September and Turkey on the 31st October.

Roumania having reached the end of her resources, had unfortunately been compelled to abandon the Allied cause and come to terms with the Central Powers as she did by the Treaty of Bucharest, concluded on the 5th March and ratified the 7th May.

Shortly before the conclusion of the Armistice, the Canadian ministers were invited to London to consult as to the matters to be dealt with at the Conference to settle the terms of peace. Accordingly, the Prime Minister, accompanied by the Right Honourable Sir George Foster and the Honourable A. L. Sifton, set out on this mission in November, 1918, being followed later by the Honourable C. J. Doherty. The Conference, consisting of delegates of the Allied and Associated Powers, assembled at Paris, where its first meeting was held on the 18th January, 1919, its deliberations being still continued at the present time. The most important of its earlier operations has been the formulation of the Covenant constituting the League of Nations, which it is intended to embody in the treaties settling the terms of peace with the various enemy powers, so that assurance of the continuance of peaceful and beneficial conditions for the future may be provided.

## THE IMPERIAL WAR CONFERENCE.

The Imperial War Conference, including representatives of the Imperial Government, the Governments of Canada, of New Zealand, of South Africa, of Newfoundland and of India, assembled at London on the 12th June, 1918, for the consideration of the problems of reconstruction which would arise after the coming of peace, its discussions continuing until the 26th July. Sir Robert Borden, Mr. Meighen and Mr. Rowell attended as Canadian representatives.

Among the more important matters discussed was the Empire's future economic policy regarding the supply of non-ferrous metals and all essential raw materials which,

it was agreed, should be directed towards insuring independence of German sources and the retention of the control of such materials within the Empire.

The encouragement of efforts for the development of the dye industry was also approved, and the consideration of the question of shipping with the object of developing and improving sea communication between the various parts of the Empire was recommended.

A resolution was also adopted respecting reciprocity of treatment between India and other parts of the Empire in relation to immigration.

Other matters dealt with were the establishing of an Imperial mineral resources bureau, petroleum, state-owned Atlantic cable, demobilization and improved channels of communication between the Governments of the United Kingdom and of the Dominions.

## TREATIES.

1. *General Arbitration Treaties.*—During the year 1918, a treaty between His Majesty and Uruguay was negotiated, providing that all disputes between the two countries which it was found impossible to settle by diplomatic means should be referred to arbitration. Canada's concurrence in the conclusion of the treaty was invited and given and the treaty duly ratified on the 11th February, 1919.

Similar general arbitration treaties with France, with Italy, with Spain, and with the United States concluded, respectively, on the 14th October, 1903; 1st February, 1904; 27th February, 1904; 4th April, 1908, which were about to expire, were renewed and extended for further periods of five years in each case, such renewals dating from 14th October, 1918; 1st February, 1919; 26th February, 1919, and 4th June, 1918.

2. *Commercial Treaties with Greece.*—In view of the changed conditions brought about by the abrogation of commercial treaties consequent on the war, and with the object of gaining freedom to regulate her foreign relations in conformity with the new situation, Greece, on the 3rd March, 1919, gave notice denouncing her commercial treaties with Great Britain. To give full opportunity for considering the forming of new arrangements, it was agreed that the treaties should be prolonged after the date which the denunciation fixed for their termination, subject to definite termination on three months' notice.

3. *Commercial Treaty with France.*—Notice was given by France on the 10th September, 1918, denouncing the convention respecting commercial relations between France and Canada of the 19th September, 1907, and the Supplementary Convention of the 23rd January, 1909, so that they should terminate on the 10th September, 1919, but, in accordance with the suggestion of the French Government, it has been agreed that they shall continue to operate subject to three months' notice of final termination.

## BOUNDARY WATERS QUESTION WITH THE UNITED STATES.

*St. Lawrence River Power Company's Application.*—This company, an American corporation and a subsidiary of the Aluminium Company of America, asked for approval of the construction of a submerged weir on the south side of the St. Lawrence river at Massena, New York, with the object of improving the operation of its electrical power plant where aluminium was smelted. The application was supported by the United States Government and was heard at Montreal on the 29th and 30th August. It was opposed by the Canadian Government on the ground that as the proposed weir would close to navigation the south channel of the St. Lawrence at the Long Sault, the provision of the Ashburton Treaty of 1842, "that the channels of the St. Lawrence on both sides of Long Sault Islands . . . shall be equally free and open to the ships, vessels and boats of both countries," prevented the Commission granting approval of the plan proposed. The Dominion Marine Association and the Harbour Commission of Montreal also opposed the application.

By an Order dated the 14th September, 1918, on the consideration of the urgency as a war measure of facilitating the production of aluminium, the Commission approved

10 GEORGE V, A. 1920

the proposed construction of the submerged weir as a temporary expedient, it being provided that the weir should be removed on the termination of the war, or at the end of five years, whichever should last occur. The Commission declined to make a pronouncement regarding the right of the company to divert water from the river.

*Pollution of Boundary Waters.*—The final report of the Joint Commission upon the reference for examination of the question of the pollution of boundary waters and the means to be taken to remedy or prevent it was completed on the 12th August, 1918, and presented to the two governments. It was found that a serious condition of pollution existed which appeared susceptible of remedy, and it was recommended that jurisdiction and authority should be conferred on the Commission to enforce measures for remedying such pollution. The two governments, accepting this recommendation, have addressed similar requests to the Commission to prepare and submit copies of such a convention or such legislation as was considered necessary to confer upon it or other Government agencies authority to remedy the existing conditions of pollution.

*Resignation of Mr. Mignault.*—On the 21st October, 1918, Mr. P. B. Mignault, immediately prior to his appointment to the Supreme Court, tendered his resignation from the Joint Commission to His Majesty, who was pleased to accept it as from that date.

## PASSPORTS.

The heavily increased volume of business in the Passport Office continues to be maintained, and, considering the indications of a very general intention on the part of European Governments to exercise control over immigration, which will be most readily facilitated by the passport system, there does not seem to be any reasonable prospect of an early slackening of this business.

I desire to add an expression of my appreciation of the efficient and zealous manner in which the various members of the staff have discharged their duties.

I have the honour to be, sir, your obedient servant,

JOSEPH POPE,

*Under Secretary of State for External Affairs.*

OTTAWA, 30th April, 1919.
